Meow Scratch

Natural Cat Scratching Pad

The cat's scratching is the cat's primary problem for owners because he can damage owner's lovely furniture and household items. Many times his owner may abandon the cat. We want to solve this problem to improve the relationship between cats, owner and other people for the benefit of society.

After Scratching, MEOW SCRATCH's fraction doesn't flow in your room and easy to clean that by sweep. Once used, scratching pad can be left to naturally disintegrate.

As we know cats are explorers, any regular collar might accidentally trap your cat on a tree or any potential hazard when he/she climbs for fun. S.Coll is designed to solve this problem. If caught by a branch, S.Coll will stretch from a cat's weight to create room for him/her to escape. Now with S.Coll, your cat can enjoy their adventure without any obstacle!

Jack Bird

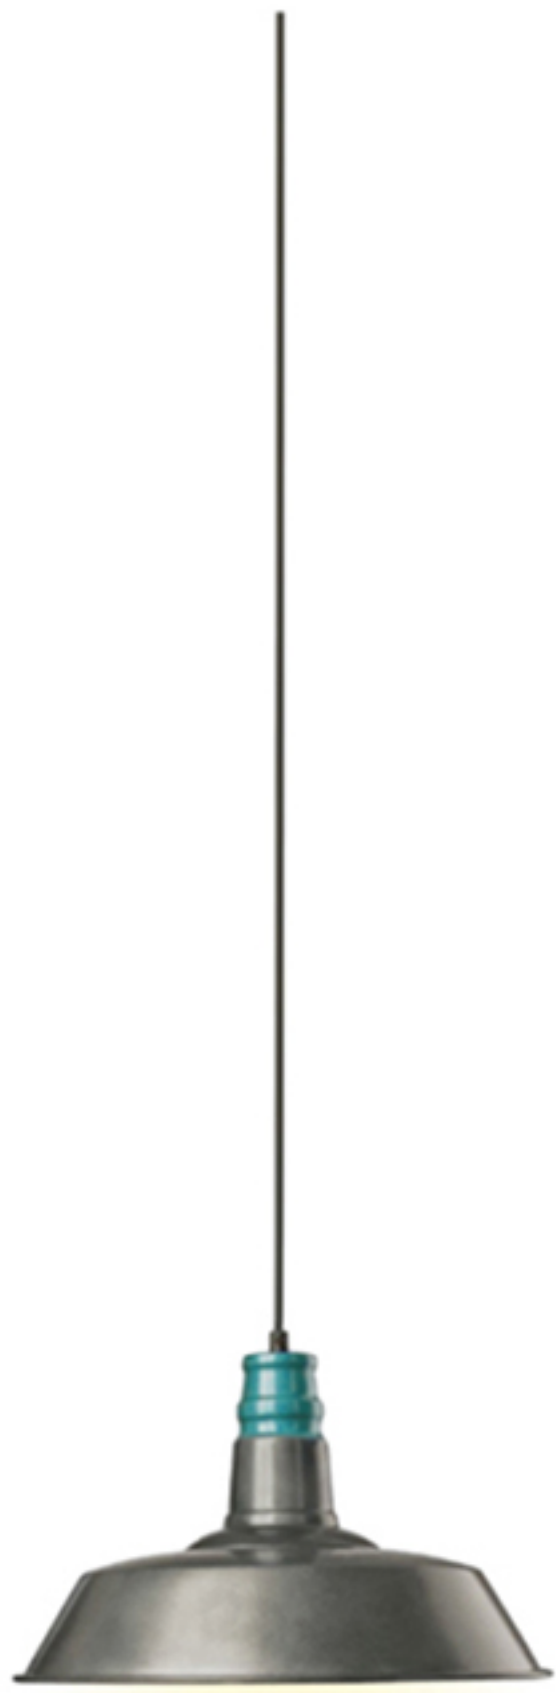

Feather Ball with Elastic Rope

Jack Bird is a bird rope Ball for play together between you and your cat. it can be used in fun activities to exercise and increase the relationship between you and your lovely cat. Cats like it very much from the feather and alive movement by elastic wire.

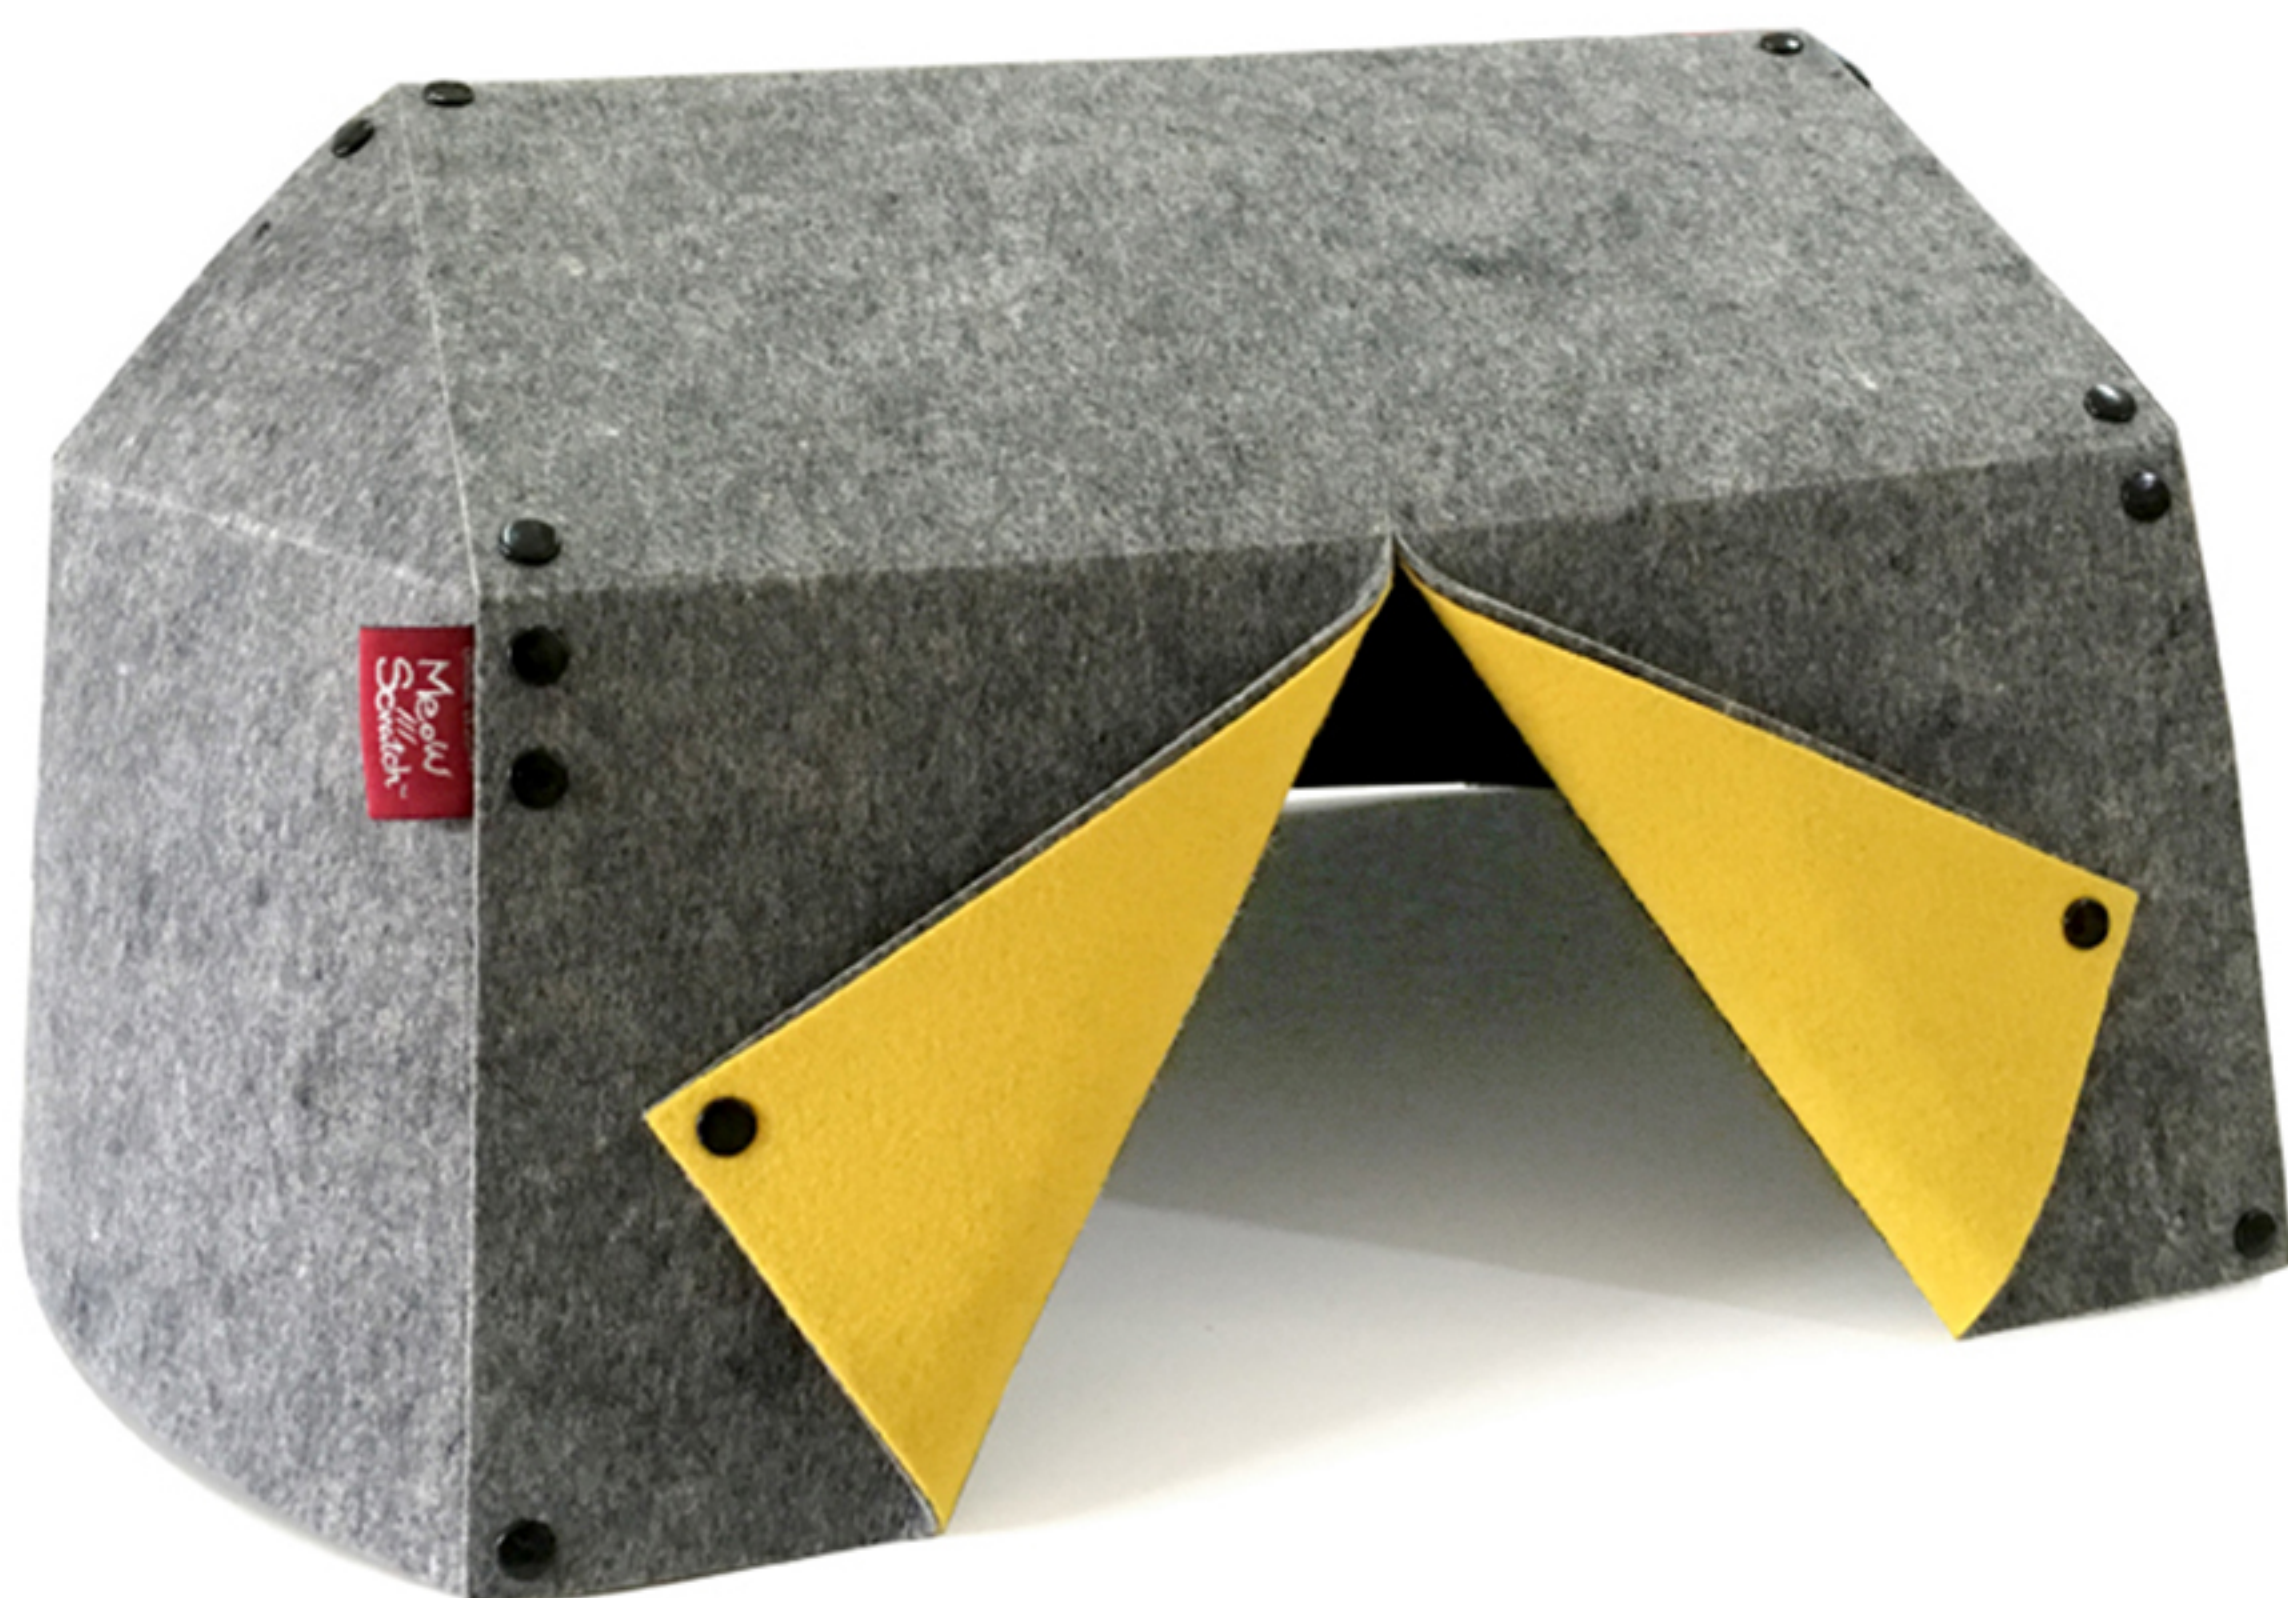

Fujisan
